“
A MOTIVATED
MANPOWER
IS THE MOST IMPORTANT THING.

K International Manpower Services specializes in providing tailored Human Capital Solutions for an array of business verticles.

COMPANY PROFILE

K International Manpower Services is an overseas recruitment consultancy which provides bespoke recruitment services to our clients and candidates around the world. Since its inception in 1984, we have championed the techniques of precise sourcing, screening, short listing and finally placing the right candidates matching the specific job requirements of employers. Our networks of dedicated consultants are adept at sourcing highly-skilled professionals for the following sectors:

Construction

Oil & Gas

Hospitality

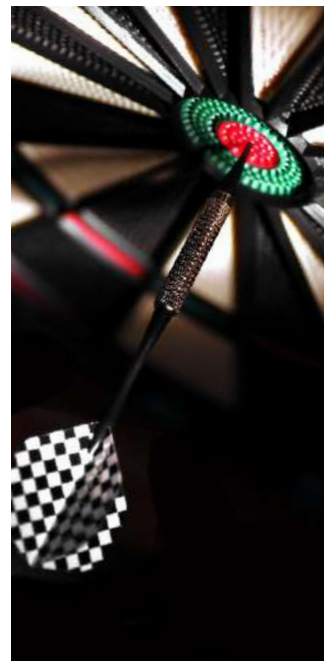

Energy & Power

Health care

IT & Telecom

With an International reach, we are able to meet the recruitment needs of a diverse range of companies, which includes major multinational corporations' as well as smaller firms. Adhering to the highest standards and best practices, our commitment to high-end recruitment, and the placement of exceptional professionals, is unparalleled.

OUR RECRUITMENT SERVICE:

With unrivalled knowledge of the recruitment industry, K International Manpower Services offers our candidates and clients a targeted and effective recruitment service.

Each of our consultants is a vertical market specialist and adept at sourcing highly-skilled mid to senior professionals for a diverse range of sectors.

Capitalizing on our international networks our consultants contact only those professionals that meet the specific criteria required for each role.

We offer unrivalled levels of care and support, keeping in touch with you throughout the recruitment process and post-placement.

MISSION

We aim to emerge as the strongest organization for an ethical business approach. Another very important facet of K International Manpower Services is to achieve the corporate supremacy by providing incomparable services to our clients.

VISION

We want K International Manpower Services to acquire a Global recognition in the corporate world, establishing as one of the most trusted name for eminent manpower services.

OBJECTIVES

Our sole objective is to set a new benchmark by presenting a competitive, quality focused and result-driven human capital services.

SUCCESS

We believe our continued success stands on firm foundations of qualitative commitment to our clients.

We will provide you with a Three-months Guarantee to replace an employee, with no additional fees. We pride ourselves with conducting thorough and comprehensive research to really Understand Our Client's needs. By using our In-Depth Industry Knowledge and following a Collaborative Approach we are able to achieve an exceptionally high Success Rate.

We believe in paying Personal Attention to all our clients and seek to foster long lasting relationships that are mutually conducive.

PROFESSIONS

We take pride in serving some of the best International Oil & Gas both upstream & Downstream Companies in the world. K International has earned the trust and confidence of these big Oil Companies.

We have recruited some of the best energy professionals in the world and most of our clients have appreciated and acknowledge the service rendered by K International in providing highly skilled and specialized manpower.

We don't rest in peace unless the resource has been on board and both client and the resource are happy with each other.

CONSTRUCTION

The CONSTRUCTION industry has a profound impact on our daily lives: the buildings we live and work in, the roads and bridges we drive on, the utility distributions systems we use, the railways, airports and harbors we travel and trade from are all products of this vital industry.

The CONSTRUCTION industry is also a key indicator and driver of economic activity and wealth creation. And, this industry also provides lucrative offers to their employees.
